(Absent: A. Nababan)

Winrock Participants: J. Kadyszewski, M. Grady, C. Magerkurth, J. Orrego

Board members reviewed and discussed the ART Secretariat’s first quarter implementation and second quarter 2020 Work Plan including development of TREES validation and verification standard and accreditation pathways for validation and verification bodies, development of committees and approaches for removals and HFLDs, ART stakeholder outreach and engagement targets, and ART’s application to ICAO.

1. ART Board Meeting Minutes November 2019

INFORMATION

1. The Secretariat presented draft meeting minutes from the November 2019 ART Board Meeting.

DISCUSSION

1. Minutes
   - Board members commented that the minutes were thorough and detailed which was important given the topics reviewed.
   - Board members discussed whether meeting minutes would be made public on the ART website.
   - Board members suggested that a table summarizing changes to TREES from the public comment version to the published v1.0 might be helpful for stakeholders.
   - Publication of ART Board meeting minutes on the website was discussed. It was noted that Board meeting minutes are not routinely made public for NGOs but could be made available upon request. A Board member noted the importance of transparency and proposed meeting minutes be posted on the ART website (redacting confidential information from closed door sessions).

DECISIONS AND ACTION ITEMS

The ART Board approved a motion to approve and adopt the ART Board Minutes from the November 2019 meeting and for the Secretariat to develop redacted minutes from the November 2019 meeting which will be posted on the website following ART Board Chair review and approval.

ACTION ITEM: The Secretariat will develop a summary list of key changes to TREES and post on the ART website.

ACTION ITEM: The Secretariat will develop redacted November 2019 Board meeting minutes for the ART Board Chair to review and approve prior to posting on the ART website.
