

ART Approves TREES Documents Submitted by Guyana

ARLINGTON, VA — October 26, 2021 — The Secretariat of the [Architecture for REDD+ Transactions \(ART\)](#) is pleased to announce the approval of three TREES Documents for Guyana. These documents are posted publicly on the [ART Registry](#) and include a TREES Registration Document and TREES Monitoring Report for the 2016-2020 Crediting Period and a TREES Registration Document for the 2021-2025 Crediting Period.

Stakeholder comments regarding these documents may be submitted to REDD@winrock.org. Comments received within 30 days will be forwarded to the program as well as their selected validation and verification body.

The approval of these documents indicates their completeness and the program's eligibility to move forward with independent validation and verification by an accredited verification body. Following successful validation and verification, the ART Board may approve the issuance of serialized TREES Credits to Guyana.
