

## ART Fee Schedule

Fee Type	Description	Fee Amount
Annual ART Registry Account Fee	For buyer/transaction (non-supplier forest jurisdiction) accounts	\$10,000/year
Tier 1 TREES Credit Issuance Fee	Up to 5,000,000 tons per single issuance	\$0.15/ton
Tier 2 TREES Credit Issuance Fee	5,000,000 to 10,000,000 tons per single issuance	\$0.10/ton
Tier 3 TREES Credit Issuance Fee	Over 10,000,000 tons per single issuance	\$0.05/ton

1. Annual ART Registry Account fees (for buyer/transaction accounts) will be invoiced starting in January 2024, unless there is account activity prior to 2024, in which case the account fee will apply in the year in which account activity first occurs
2. Each TREES Credit issuance pays the per ton fee amount corresponding with the Tier volume – the schedule is not a sliding scale
3. Minimum issuance volume is 500,000 for issuances less than the verified volume
4. Minimum issuance volumes do not apply for issuances of total verified volume
5. The ART Secretariat and Board are committed to review, evaluation of and future adjustments to the fee schedule as we gain information as well as operational experience.
