Dear Ms. George,

The Secretariat of the Architecture for REDD+ Transactions (ART) has carefully reviewed your letter of appeal dated June 16, 2023. Because this is the first time ART is operationalizing the appeals process and because the complaint raises concerns regarding the integrity of the complaints and appeals process, we agree to convene a committee for review of the appeal. The review will include the threshold determination of eligibility by the committee.

Per the Complaints and Appeals Guidance, the appeals committee will be comprised of three members. We will begin the process to identify appropriate representatives from each of the Winrock and ART Boards. Once selected, we will share their names with you. Please submit your nomination for a committee member by forwarding their name, contact information, and a brief biography to the Secretariat for approval at your earliest convenience. Once the committee is formed, we will start the 90-day review process.

Sincerely,

Christina Magerkurth
Managing Director
ART Secretariat
